We are a Welcoming Congregation
Sunday mornings at 10 a.m.

Unitarian Universalists believe more than one thing. We think for ourselves, and reflect together, about Life's important questions.

.. Our beliefs are diverse and inclusive. We have no shared creed. Our shared covenant supports "the free and responsible search for truth and meaning." Though *Unitarianism* and *Universalism* were both liberal Christian traditions, this responsible search has led us to embrace diverse teachings from Eastern and Western religions and philosophies.

We light this chalice for the light of truth.
We light this chalice for the warmth of love.
We light this chalice for the energy of action.
