NEW COMMITTEE:

We now have a new committee--it's the Activities Committee or Fun Committee or (we're not totally sure of the name), but at the suggestion of Pat Guilday we now have a committee that is working on fun activities and other reasons to get together just for the fun of it. Pat's committee has two other members at the present time--David Boustead and Pat (nee Cyra) Buehler.

The committee put together a canoe trip last month. This month it's a picnic at Brandy Beach. Another canoe trip is being talked about for maybe 9-29. Whatever it is--join in the fun.

BOARD MEETING:

A Board meeting was held August 6th at Tim Kratz's house with the main item being a discussion of the fall retreat. The next board meeting will be on September 10th at the home of Terri and Terry Hoyt. All members are welcome to attend any board meeting. If you want something brought up at the board meeting please let one of the board members know.

OTHER INFO:

As many of you already know Terri and I are going to Turkey to visit our "daughter", Nilgun Camgoz and her family. Nilly really enjoyed her time with the kids at our fellowship and I think it gave her another chance to learn about our community and country. When we get back we will be having a new "daughter" in our family. Her name is Elisabeth Joly. She is a 17 year old from Chemaze, Mayenne, France. This is a small town of about 1200. We encourage all of you to include our exchange students in some of your family activities.

Paul and Irma are back from their trip. We really need a full report from them on their exploits.

Harley and Ruth Erbs are in Alaska. They drove. They're taking the ferry and visiting family. Another story to be told. We'll all miss Harley's jokes while he's gone.
